

Dear Compatriots,

It's a fact! After many request from Alatsatian descendants living in America, Austrailia, South Africa and Europe, we are now pleased to announce that our book titled: "*After Alatsata, the Alatsatians throughout the World*", first published in 2007; has been translated in English and it is read to be published!

Please help us to publish this book by becoming one of the sponsors in the memory of your own ancestors. Your family name will be written on the first page of the book as a sponsor. Please show your interest on the common history of our grandparents and help us to transmit to your children and grandchildren.
